August 9, 2022

Dear JANE DOE:

You are receiving this letter because you are a Class Member in the certified class action *Baroch v. Canada Cartage* (Court File No.: CV-13-492525-CP).

The Ontario Superior Court of Justice approved a settlement of the class action on November 1, 2021. You may review more information about the class action settlement and copies of the Court's orders at www.canadacartageclassaction.com.

The settlement compensates Class Members for alleged unpaid/underpaid overtime hours worked at Canada Cartage and related companies¹ for the period of March 1, 2006 to June 3, 2021. The Court has appointed RicePoint Administration Inc. as the administrator of the settlement.

The calculation of the distribution is based on a standard methodology for each of the six groups set out below using various records provided by Canada Cartage. Only individuals who are calculated to receive over \$50 will be eligible to receive a share of the settlement funds. Applying this methodology to the available records, we have concluded that **you are not eligible for a share of the settlement funds.**

This determination was based on your membership in the following group(s), based on records for Employee Number **9999** and Social Insurance Number **XXX XXX XXX**:

Employment Category	Time Period
Ontario/Quebec Driver or Hourly Non-Driver	
Warehouse Employee	
Calgary Driver	
Western Hourly Non-Driver	
Eligible Salaried Non-Managerial Employee	October, 2010 - December, 2010
Other Eligible Western Employee	

Please note that time spent working for Canada Cartage through an agency, as an owner-operator, in a management role, or in a unionized role is not covered by the class action and thus not eligible for the settlement.

¹ These companies include Canada Cartage System Limited Partnership, Direct Limited Partnership, and Sonar Limited Partnership.

If you disagree with the above employment dates and/or employment categories used to calculate your share, you may advise us and provide us with supporting records/documents (e.g., offer letters, timesheets, schedules, paystubs) within **thirty (30) days** of the date of this letter (**being September 8, 2022**), by contacting RicePoint at the information provided below. To ensure fairness across all Class Members, we cannot consider other information about your individual circumstances, including any records of alleged underpaid or unpaid overtime.

Depending on what adjustments are made following the first distribution, it is possible that you could receive a share of settlement funds in the second distribution which will likely take place about a year from now. We would therefore appreciate if you could let us know if the last three digits of the social insurance number or the address on this letter are incorrect. If your address changes in the next year, please let us know.

Should you have any questions or concerns, please do not hesitate to contact RicePoint by phone at 1-888-713-5220 or email at canadacartage@ricepoint.com.

If you are currently employed by Canada Cartage, please do not direct any questions about the settlement or this letter to your manager or Canada Cartage's human resources team. This process is entirely administered by RicePoint under supervision from Class Counsel.

Best Regards,

RicePoint as Claims Administrator
